# EASTER REVISION AT KINGS BRIGHTON

Kings was founded over 60 years ago. Our first college opened in Bournemouth in 1957 and since then has been joined by Kings London, Kings Oxford and – new for 2017 – Kings Brighton.

For these past 60 years we have been at the forefront of quality education.

*Our focus now is on your future success.*

Kings Brighton is a brand-new college in the heart of the city

Brighton offers the perfect environment in which to be a student

The interior space of the new college has been designed with many contemporary features

Kings Brighton provides a new alternative for ambitious students looking to maximise their A-level or GCSE results.

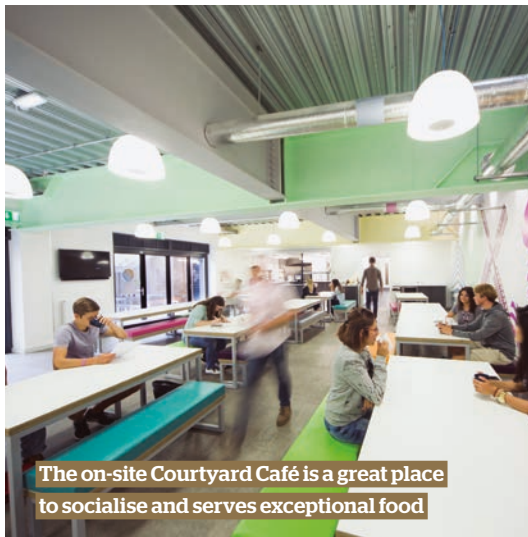

The college offers a mature yet supportive learning environment and a community in which every student can express their own identity and explore their interests.

We nurture a positive learning culture based on a mutual respect between staff and students. This carefully developed environment supports students in their development while allowing them to become independent learners and responsible young adults.

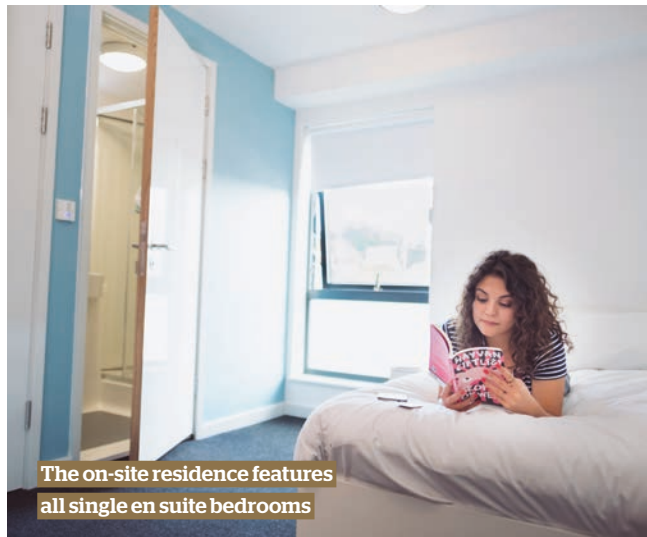

Learning is contextualised to facilitate understanding and provide inspiration for students in their choices for further studies and potential careers. This is augmented by a range of extra-curricular activities and opportunities to add to our students' experience and university applications.

# EASTER REVISION PROGRAMME

The Easter Revision Programme at Kings Brighton is designed for A-level or GCSE students who are preparing for their crucial examinations in May/June.

## Key facts

**Location:** Brighton

**Start dates:** 26 March, 3 April 2018

**Length:** 1 week per course (A-level: 4 full days per week; GCSE 4 full days or 4 half days per week)

**Lessons:**

A-level: 28 hours per week

GCSE: 14 hours per week per subject

**Class size range:** 4 – 10 students

**Tuition fees:**

1 A-level subject: £795 per week (4 full days)

1 GCSE subject: £395 per week (4 half days)

2 GCSE subjects: £795 per week (4 full days)

Our courses are carefully designed, with an integrated approach, to address three key areas:

## Subject knowledge

Kings' experienced teachers will cover the core syllabus of all examination boards, helping students developing their understanding of both individual topics and a synoptic overview of their subject(s).

## Exam strategies

Through the extensive use and analysis of past papers and sample questions, students will gain a greater understanding of the structure of their examinations, improve their ability to answer examination questions to maximise the marks gained and develop effective individual strategies as to how they will approach each paper.

## Revision techniques and planning

Students will be given the opportunity to try a range of revision techniques and planning strategies and develop the skills needed to design their own revision tools and plans for their GCSE or A-level examinations and these can be carried forward for their future studies.

## Learning outcomes

- A synoptic revision and understanding of the core syllabi
- Development of focused and personalised exam techniques
- Identification of individual revision strategies and plans
- Greater confidence for the upcoming exams in May/June
- Building skills to approach future studies and examinations
